BY WINEMAKERS PAULINE ROUX & PAUL JORDAAN

Biography of the Winemakers

Paul Jordaan & Pauline Roux, both winegrowers/oenologists present themselves as merchants and winemakers looking for grapes to make unique and exclusive wines.

Pauline, coming from Southern France, where vineyards dance in the sea breeze, and Paul, a native of Cape Town's sunny shores and drylands, traversed the globe in search of winemaking secrets.

Their paths converged in South Africa's Swartland region in 2016, where they found themselves enchanted by its abundant potential and vibrant community. In 2018, Paul and Pauline teamed up to establish Paulus Wine Co. "Making wine, for us, is a platform to tell the story of a place"

The wine is like the minutes of the meeting that took place the year before, where everything comes together. Now leading the wine project with their dedicated team, Paul & Pauline believe wine is more than just what's in the bottle-it's about stories, connections, and shared experiences.

"We deeply believe that the people, relationships, and shared values between growers and winemakers make a wine's story. It's about sharing, learning, experiencing, and living."

Wine is more than a drink-it's a story of laughter and love shared with friends, old and new. Here's to the adventure of Paulus Wine Co-a journey filled with discovery and, of course, plenty of sips along the way.

"The aim is to make wines that naturally balance both controllable and uncontrollable elements, showcasing the essence of a terroir where everything comes together in harmony."

Winch Sauvignon Blanc

2025 [Wellington](#)

150ml	300ml	450ml	750ml
150	285	410	650

Originating from Wellington, this full-bodied Sauvignon Blanc comes from clay-rich vineyards, giving it a rounded palate. Warm days ensure ripeness, while cool nights preserve the wine's vibrant acidity. Fermented in concrete tanks and oak barrels, it balances crisp freshness with subtle buttery notes. Expect flavours of apple, pear, and a hint of citrus for a harmonious finish.

Concrete fermentation helps preserve bright, fruity character without adding unwanted flavours, allowing the grape to shine. These porous tanks enable gentle oxygen contact, a method dating back to ancient Greek and Roman amphorae winemaking.

Entablature Chardonnay

2025 [Stellenbosch](#)

150ml	300ml	450ml	750ml
150	285	410	650

Inspired by old-world winemaking traditions, our sur lie aged (sur lie is French for "on the lees") Chardonnay comes from the Helderberg vineyard in Stellenbosch. Aged on its lees for seven months in old oak barrels, this process involves regular stirring (batonnage) to enhance flavour. The result is a wine with a creamy texture and flavours of brioche, almond, and hazelnut, offering a rich mouthfeel and complex depth. This dedication to traditional techniques showcases our commitment to creating a Chardonnay with unparalleled richness and character.

Our premium house Syrah red wine resonates with the soul of its origin in the Tulbagh region of the Western Cape of South Africa, where the warmth of the African sun infuses each grape with a unique character. A gentle undercurrent of chocolate and hint of smoky meat add layers of complexity to this rich and complex wine. A symphony of flavours that will enhance every meal, much like The Tug Restaurant elevates every dining occasion. In each bottle, we encapsulate the very essence of The Tug Restaurant, warm, bold, and unique, best enjoyed one sip at a time.

Crankshaft Shiraz

2023 [Western Cape](#)

150ml	300ml	450ml	750ml
150	285	410	650

From the sun-drenched vineyards of Stellenbosch, our Syrah captures the essence of this variety. Imagine walking through a vineyard at dusk, the air filled with the scent of ripe blackberries and plums. Each sip reveals dark fruit flavours, accompanied by hints of pepper and spice. Whole stem fermentation (process of fermenting grapes together with their stems and is the original way of making wine) and aging in large foudres (large wooden vats) result in a smooth, balanced wine that reflects the timeless character of a Classic Syrah. Some of Burgundy's most famous estates use this technique to create their signature style.
